Billing

The pricing in this Critical Information Summary are for the full billing cycle but your first bill may include prorate charges for part of the month if you have started a plan part way through a billing period. Refer to the "Important information about your first bill" section below for more information.

Important Information about your first bill

When you commence a plan or change your plan part way through a billing period, your first bill will include your minimum monthly charge in advance. It will also include a proportion of your minimum monthly charge based on the number of days left in the billing period.

Email Billing

V Telecom is committed to reducing our environmental footprint, and therefore email billing is our default method of billing. Paper bill may be received as an option for an additional \$4.00 inclusive of GST. To opt for paper billing, please call 1800-VTELECOM (1800-883-532).

Connection Charges & Connection Timeframes

A charge may apply to connect your phone service if there is not already one present and/or depending upon the type of connection required. The timeframe required to connect your phone service will depend on the type of connection required. For details, please visit www.vtelecom.com.au/index.php/term-andconditions for our Phone Connection Charges and Timeframes.
